## INTRODUCTION

Jamb Cbt Practice Software is a Computer Based Test Practice Software that allows students/candidates practice for their forthcoming examination (JAMB and Post-UTME), thereby enhancing their speed and accuracy to achieve unprecedented success in JAMB CBT and Post UTME. As an Executive marketer (Independent Agent or Independent Dealer) you have the privilege to earn a lot from tegy24 Technologies CBT Practice Software. All you need is to become an Independent Agent. This manual covers all steps and guide needed in the business. We look forward to doing business with you.

## WHAT YOU STAND TO GAIN AS AN INDEPENDENT AGENT DEALER

1. Customized JAMB and Post-JAMB Offline CBT Software.
2. Discount price on CBT Software's Units for Generation of Access PIN/License Key.
3. Unlimited Profits on CBT Software's Access PIN/License Key sales to candidates.

**WHAT ARE UNITS?:** These grants the Agent privilege to generate access PINs and License Keys. Agents are to purchase units from Tegy24 Technologies so as to enable them have the privilege of generating access PINs.

**WHAT ARE ACCESS PINs or License Key?:** Access PINs or License Key are unique code generated by the Agent at his or her CBT Admin Panel. These are sold to users/candidates/students at prices fixed by the Agent. Access PINs or License Key grants users access to practice with the CBT software for 30days and more.
